

Club Show & Tell Meeting

By Larry Carroll

At this month's dinner meeting we will have our traditional "What I Did On My Summer Vacation" program. This is when fellow WFF members show us photos of all the wonderful places they've been, the great people they've met and maybe even some of the terrific fish they caught. Or at least a good story about the one that got away.

We will have a projector, speakers and a laptop. So all you have to do is sort through your digital photos and bring them on a flash drive. But be sure to test your flash drive ahead of time to make sure we will be able to access and advance the photos. Also make sure all of your photos are in the order you want to display them. You may need to rename them with a number in front of the name or just a new number.

We do ask that you keep your show to no longer than 5 minutes so that others can have their opportunity to wow us as well.

To reserve a spot on the program, contact Clay Dodder at 310-315-1800 or claydodd@gmail.com and let him know you are ready for unlimited admiration and fame, all due to your talents as a fly fisher and as a presenter. This is always a fun show, in addition to being one that's really informative about terrific places to go on your next fly fishing trip.

**If you are planning to participate, check out the
'Show and Tell: How To' page.**
