fly. He also enjoyed careers as a ski instructor/coach and restaurant manager, as well as racing road bikes before focusing his full-time attention on guiding. Maury has been fly fishing the western United States and Mexico for 35+ years. After honing his skills with trout, he hooked his first striped bass in 1995, and has been chasing, catching, and releasing stripers ever since. As a Captain, he guides both out of the San Joaquin Delta in a center console bay boat in the fall and spring, and then on a jet sled on the Feather and the American Rivers in the summer for stripers, smallmouth bass and shad. All trips include top-of-the-line equipment as well as custom-tied flies. Maury is also an ambassador level, pro-staffer for the following products: Costa sunglasses, Simms clothing, Sage rods, RIO lines and Galvan reels. He is the Co-event Manager for the Costa Bass-N-Fly Tournament on the California Delta and annually hosts trips to

WFF Fly Tying

The classes are from 6pm to about 12:30pm on the 4th Saturday of the month. **In person meeting canceled due to Covid-19. Will be moved to a Zoom meeting, look for an email link from the club or contact Peter Haight via email at phaight@aol.com for an invite.**
1227 4th Street, Santa Monica, CA 90401. Park across the street in the city parking lot. See page 1 for parking rates and address.

This month we are tying the CDC Caddis in size 16 and 18 for the Hot Creek trip the following weekend, but late afternoon caddis there have dark grey wings for which we will use (deer or elk) instead of light deer hair shown in this Oglesby's fly. Also hackle stems for antennas, not mono.

Here is an example and a recipe of a CDC Caddis from the book Federation of Fly Fishers, Fly Pattern Encyclopedia, Edited by Al & Gretchen Beatty. Tiers will need to have their own supplies for this as we are on line. Remember to have deer or elk hair for the wings and some hackle stems for the antenna.

CDC Caddis

Hook: TMC 100 #12 - #16
Thread: Gray
Rib: Fine copper wire
Body: Peacock herl
Wings: Deer hair over gray CDC
Head: Thread
Antenna: Monofilament (optional)
Fly Tiers: Pat & Carol Oglesby

It's Official! Hot Creek Ranch Has Opened!

We have four cabins for the weekend of October 30 - November 2, 2020. Please note the rate increase to \$450 per angler; two anglers per cabin. We have kept the cost to members constant for many years despite increases in the Ranch's rates. Simply put, WFF can no longer afford to subsidize fly fishing.

Trip full, some room on the waiting list. Contact Larry Carroll if you want to be added to the wait list in the event someone drops out.

****PLEASE if you love Hot Creek Ranch and you are ill or showing any symptoms of COVID-19 such as a frequent cough, fever, difficulty breathing, chills, muscle pain, sore throat, recent loss of taste or smell, or if you or someone you live with have been diagnosed with COVID-19, DO NOT COME TO THE RANCH! There will be another time.

New Program Chair

Dear all,

Based on the feedback from everyone on the board, I have informed Scott Clark of the Board's decision to install him as our new Program Chair.

This is the bio he provided for us:

"I grew up in upstate New York. My father and I were avid fly fishermen, primarily for trout, and we fished many of the well known and not so well known streams throughout New York. I planned everything around fishing, but then I moved to the big city in 1980 and fishing took a back seat to my career and later starting a family. I would occasionally fish the Mammoth area over the years, but in the last 10 years I jumped back into the sport. About 5 years ago, I sold my partnership interest in a commercial mortgage banking firm that I co-founded, so now fishing has taken a front seat. I'm abundantly blessed to be married to my wife, Cynthia, for 33 years, who is a native of Santa Monica and we have two absolutely fantastic kids: Evan 29 and Caroline 26. Along with fishing..... camping, mountain biking, road biking, photography, traveling and motorsports are a big part of my life."

I'm thrilled that he stepped up and volunteered and will be helping him as needed.

Be well, stay safe!

All the best!

SPEAKERS FUND - DONATIONS NEEDED!

Despite the coronavirus curtailing many club activities, we still have ongoing expenses including outing reservations (Hot Creek, Kelsey, etc.), liability insurance, and monthly speaker fees among others. Annual dues don't cover everything and month by month we are slowly depleting our cash reserves. Sadly, this is also a situation some of us are facing in their own lives.

To address these issues, the Board of Directors has charted a double prong strategy. The first is that, like a number of other SoCal fly fishing clubs, WFF will no longer charge for Zoom meetings. Everyone, member or non-member, is invited to participate at no charge.

The second prong is a request that those who can, make a tax deductible donation to our Speakers Fund. We spend about \$3,500 annually on speaker honorariums. We need members to step up and keep our speakers program solvent.

[With your donation of \\$30 one-time or \\$15 monthly recurring, you can support our speakers program.](#)

If you wish to donate by mail, please send a check to **Wilderness Fly Fishers, PO Box 3358, Santa Monica, CA 90408-3358.**
